The Fosest Pills.—There are three things pacular to these Pills along—
1st. They better gripe nor weaken the system, This is because they contain no Drugs or Measures, but that they are the pure virtues or Frants which are as wholesome as the food we eat,
2d. They pures most when the atomach and bowels are most without and faut, after this their efficiety enters the blood, and foot, after this their efficiety enters the blood.

The Forest Wine .- The medicial proper-The Forest Wine.—The medicial properties of the Forest Wine are different from those of the Cashmere, Sitk and Bia Kets, comprising the best stock ever offered in Wheeling. Also, a full vatury of the first some disorders one Remery is as important to the other as water, and fond as for CLIOAKS, Talmas, Mantillas, Vokes and Caps, made of velvet, silk, cloth, satin and marine. One Bottle of the Wine and a Box of the Pills are
warranted to cure the Asthma, but some tad cases rewarranted to cure the Asthun, her some had cases require more.

The Forest Remedies give immediate relief in Dyspepsis and Indiges him said one or two Boxes and as many Bottles are warranted to cute the most severe cases of this distributing complaint.

The efficacy of the Forest Remedies in Rheumatism is very singular some of the most distributing cases I have ever saw have been cured by them in ten or twelve days time, while some other cases, (apparently not so had, it took nearly three months before the complaint yielded to the efficacy of the Remedies. This sometimes may be owing to a broken down constitution, but more frequently to some kind of marcuit drug taken at some former period, for I have always moticed it took longer to cure patient, who had taken mercary and other porsonous drugs. her porsonous drugs, Ague & Fever and Chills .-- The Forest

Revisities are the best cure in the world for Agu and Fever One or two descript the Pills and less than a Builte of the Wine, is warranted to break the Ague and

The wine cracily sure the formale constitution, and gives strength, vigor, and blooming health.

Debitity, Eucriation.—The Forest Wine is a popular remedy for all these complaints, one to three Hottles cure the worst cases without the pills but when the complaint is accompanied with some other disorder.

remedy for all these compliants, one to three Hottles cure the worst cases without the pills; but when the complaint is accompanied with some other disorder the Fills also will be required.

Over a million or Boars and Bottles have been sold within the last two years in the United States and United States and Crainfacts to the amount of many thousand have been received, testifying to the curres and round effects of these Remedies.

READER! I never know a ringle instance where the Remedies have been taken according to directions; but that they produced the most dec ded benefit. Even in old standing complaints, where the patient persevered in their for a reasonable length of time, they have effected a cure in every instance which has come to my knowledge, with the sole exception of one. This was a very old man, whose constitution was completely gone before he began to use thou, attli he, found them to do more good than anything else. It should be inderstood that there Remedies are not mad of drugs kept by druggists, as all other medicines are, but that they are produced from the medicinal virtues of corafin plants which nourish and purify the blood as food does the body. I will mention for example, three of these plants which nourish and purify the blood as food does the body.
